

Summary

Lashing equipment

Explanation lashing equipment **6-9**

Product explanation Lashing systems **10-11**

Lashing systems **12-15**

System 200
System 400
System 500
System 500/50
System 750
System 1000
System 1500/35
System 1500
System 2000
System 2500
System 5000
System ZKR

Accessories for lashing systems **16-17**

Anti-slip mat
Auto transporter set
Aluminium bar
GIGANT-Ratchet
Hook dimension
Edge protection
Fixing bar
Velcro strap
Long lever reversing ratchet (ERGO)
Chafe protection
Tension measuring unit
Lashing calculator

Lifting equipment

Explanation lifting equipment **18-21**

Lifting systems Lifting straps **22-23**

Lifting straps **24-25**

2 loops, one, two and four layer, endless, one and two-layer with shackles, one and two-layer Load-carrying capacity tables

Lifting strap suspensions **26**

Strap slings **27**

for prefabricated house construction for wooden frame Salvage strap for off-road

Accessories for lifting straps **28**

Permanent PU coating
PU edge protections
Magnetic edge protection
PU protective sleeves
PVC chafe protection

Lifting systems **29**

Flower tray carrying strap
Barrel lifting strap
Furniture carrying strap with rope
Furniture carrying strap with hook

Lifting systems Round slings **30-31**

Round slings **32-33**

with reinforced single sheath "A tough piece" with double jacket with single jacket Load-carrying capacity tables

Round sling suspensions **34**

Load-carrying capacity tables
PU special extrusion

Accessories for round slings **35**

PU edge protection
PU magnetic edge protection
PU protective sleeves
PVC chafe protection
— with a Velcro fastener at the side
— as a sleeve

Lifting systems Sling chains **36-37**

Sling chains Grad 8 **38**

Chain edge protection
Hooks
Shortening claw VK
Load-carrying capacity tables

GOLIATH Sling chains Grad 10 **39**

Load-carrying capacity tables

Accessories for sling chains **40-41**

Wire cable clamps DIN 1142
Fire service snap hooks
Heart-shaped thimble DIN 3090
Quick-release chain fastener
"Bravo" type ratchet pull
Ring nuts DIN 582
Ring screws DIN 580
Shackle

Binding cords

Product explanation Binding cords **42-43**

Binding cords **44-45**

Jute cords
Sisal cords
Hemp cords
Textil fibre cords
Polypropylen cords
Sisal Polypropylen cords
Jute Polypropylen cords

Ropes

Ropes **46**

Manual elevator ropes
Polypropylen
PU edge protection

Accessories **47**

Building elevators rollers
Fire service snap hooks

Something else **47**

Child's rope ladder
Board swing
